
Have HD 6.4 want to upgrade to 7.4 is there a cd

Posted by chainsaw7 - 2008/05/07 01:36

Hi I'm a newbie- just bought a used HD pt rig - I have version 6.4 and want to upgrade to 7.4 is there a cd I can buy- I don't have a good internet connection.

Do I have to buy a llock or does it come with it?

Thanx
